Having recently lost an only brother leaving an aged mother to my care and protection for me to continue in the service it is very important to her welfare that I should visit my home in Philadelphia would therefore beg a leave of absence for twenty days.

I would state that since entering the service some twenty months ago I have not had a leave of absence nor during that time have I been absent from duty. Taking these facts into consideration I hope Captain my leave will be granted.

Genl.

Your letter of the 24<sup>th</sup> inst. re-  
lating to the cancellation of the commission  
of Lieut. Alexander S. Buchanan and other  
matters, has reached me at this place.

Lieut. S. Buchanan, or rather Offspring  
of 1<sup>st</sup> Lieut. by mistake, ~~has~~ he should  
have been made 2<sup>d</sup> Lieut. instead. He  
is actually enrolled and does duty as  
2<sup>d</sup> Lieut. I presume the error can be  
corrected and I have this day written  
to the Adj<sup>t</sup>. Genl. to that purpose.  
Buchanan is a good officer and I  
should be sorry to lose him. I do not  
think he was knowingly a party to the  
mistake.

Your directions as to the consolidation  
of Cos. A, B. & C. of the 22<sup>d</sup> will be carried  
out as soon as they join.

I am Genl. very respectfully,

Adjut General

General,

I have the honor  
hereby to tender my resignation as 1st  
Lieutenant Company 'C' 10th Regiment Miss-  
ouri volunteer Infantry.

My reasons for so doing are as follows  
When I entered the Army, some two years and  
half ago, I left a brother at home to attend  
to the interests of my family, recently, that  
brother has deceased, leaving an aged mother  
and sisters to my care and protection.  
I therefore feel it my duty to be with them,  
and their earnest solicitations compel  
me to leave the service.

I enclose herewith certificate from the Ordnance Department, also letter from Chief Auditor showing that I am not indebted for Government property, nor have I any now in my possession.

I was last paid by Mayor Keith to include the 31st day of October 1863.

I have the honor to be General

Several days since I received a letter to the Gov of Mo.  
reporting Lt Buchanan who received a 1<sup>st</sup> Lieut commission  
in through mistake instead of that of 2<sup>nd</sup> Lieut. What  
has been done by the Governor in the case? I directed that  
the Lieut should not be taken up or born on the rolls because  
was already one 1<sup>st</sup> Lt in the company and I also informed  
the color Capt concerning the report that as there was no  
vacancy of 1<sup>st</sup> Lt in the Co the Gov has or would cancel  
the commission. I wrote his name off my muster in

to grant him a commission as 2<sup>nd</sup> Lt.

Captain

Your communication of yesterday asking information in reference to Sergt. Maj Andrew M Bushnell 10th Mo Vol. has been recd. In reply I have the honor to state that he was enlisted by Col F. C. Deimling at St Louis Mo., his residence is Philadelphia Pa. where his father keeps a Hotel in the outskirts of the City, he left his Valise Key with a man named Hammond with instructions to forward the Valise to Philadelphia I suppose he intends going to that place as soon as he can be mustered out. —

I would further state that before receiving the order authorizing the Regt. to go home to be mustered out I directed Col Deimling to make out a list of the men whose terms of service had not expired also descriptive

of each, relying upon the correctness  
of the report made by the Colonel.  
I made no investigation of the  
matter and transferred the men  
so reported to the other Companies.

It is my impression that the  
Colonel was laboring under some  
Erroneous idea. as to the right  
of the Non-Commissioned Staff to  
be mustered out ~~it~~ with the Regt.

Hoping that the foregoing will  
meet the requirements of your letter  
I remain

Very respectfully  
Yr obt Servt

# FINAL STATEMENT

OF

Patrick Langford  
10 Reg't of Mo Inf

## VOLUNTEERS.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to that effect by the officer. This endorsement should contain a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the master roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these master rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Langfords must be entered on the master roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

FINAL STATEMENT

OF  
James C. Carter  
10<sup>th</sup> Reg't of Missouri  
Infantry.  
VOLUNTEERS  
1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each volunteer soldier who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay due him, and the captain or other officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster, the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—Amounts due the Butler and Laurence must be entered on the Master Roll on which the death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 4.—This blank will be used for deceased volunteers as well as others.

# ARTICLES OF WAR.

ART. 15. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representative of such deceased non-commissioned officer or soldier. And in case any of the officers so authorized to take care of the effects of deceased officers and soldiers should, before they have accounted to their representative for the same, have occasion to leave the regiment or post, by pretence or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers in order that the same may be secured for, and paid to their respective representatives.

## ARMY REGULATIONS—EDITION OF 1861.

### DECEASED SOLDIERS.

Par. 152. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 15th Article of War, will be forwarded to the Adjutant General by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which he belonged, a report of his death, specifying the date, place, and cause, to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster-roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_ the \_\_\_\_\_ day of \_\_\_\_\_, 186—." If a legal representative receive the effects, it will be noted in the report. If the soldier leave no effects, the fact will be reported.

Par. 153. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 154. In all such cases of moneys by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded to the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of \_\_\_\_\_, late of company (—) \_\_\_\_\_ regiment of \_\_\_\_\_, who died at \_\_\_\_\_ the \_\_\_\_\_ day of \_\_\_\_\_, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relatives of the deceased before these inventories are sent to the Adjutant General, their receipts therefor should be attached to the inventories. In all other cases, one copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

**The Adjutant General's Office,  
WAR DEPARTMENT.**

Washington, April 24, 1908.

It has this day ( April 24, 1908, )

been determined by this Department from the records that the above named soldier was discharged the service September 3, 1863, on a surgeon's certificate of disability, and that so much of the records as showed him discharged on that date as of Company C, same regiment, is erroneous.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared: the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty: and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *h. j. &c.*, &c.: to describe particularly the disability, wound or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1864.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander or other officer commanding the separate detachment to which he belongs and sent on loan to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental detachment or post commander, who will forward them with his own certificate thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates after having received the action of the high authority to which they are required to be sent, will be returned through the same channel to the regimental post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper, so that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates to the Adjutant General United States Army, at Washington, D.C. they will not under any circumstances be given into the hands of the soldier.

War Department,

Adjutant General's Office.

Washington, July 7<sup>th</sup> 1865

Sir:

In reply to your letter requesting a Descriptive List of Charles Collins a Private in Company "H" 10<sup>th</sup> Regiment No. 1. Volunteers, I have the honor to furnish the following "Descriptive List," obtained from the records of this Office: which, from the want of the necessary data, (which is in the possession of the Company Commander) is only "partial."

NAME, RANK AND REGIMENT, DESCRIPTION, &c.

Charles Collins a Private in Company "H" 10<sup>th</sup> Regiment of No. 1. Volunteers, is — years of age: but no further "description" can be obtained from the files of this Office. He was enrolled on the 1<sup>st</sup> day of Sept. 1861 at the town of Macon City in the State of Mo. by Capt. Appell and mustered into the service of the United States on the 2<sup>nd</sup> day of Nov. 1861, at the town of Macon City, in the State of Mo. by Capt. Smith to serve for the period of three years or "during the war."

ACCOUNT OF PAY.

It is stated on the Muster Rolls of his Company for the months of May & June 1864 that he was last paid by Paymaster Mrs. Kemp to the 30<sup>th</sup> day of April, 1864.

ACCOUNT OF CLOTHING.

The files of this Office furnish no account of clothing: it must be obtained, if obtained at all, from his Company Commander.

REMARKS.

On the above Muster Roll (latest on file) reported a Private "Absent sick since June 23<sup>rd</sup> 64."

Very respectfully,  
Your obedient servant.

Chas. Drake

Assistant Adjutant General.  
(7)

To B. L. C. Bonville  
Col. U. S. A.  
Benton Kansas Mo.

This "Partial Descriptive List" is given in order that the soldier may be discharged at once, without waiting for a descriptive list from his company commander; and, having been used by the proper officer to make out the soldier's final statement, should be endorsed with a statement to that effect by this office. The endorsement should exhibit a full statement of the time for which the soldier was allowed pay on his final statement, the clothing account, and all other charges against him, or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the soldier, who will enter all the data necessary to a full understanding of the soldier's account on the muster roll upon which the soldier's discharge is reported. This list will then be destroyed. The object of this is, that the remaining portion of the soldier's account may be settled upon the receipt of these muster rolls, and the soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statement from the fact that this list is incomplete or "partial."

# FINAL STATEMENT

*James M. Cox. Private 6:2*  
*10 Reg't of Inf 7. In.*

## VOLUNTEERS.

*Dead June 1st 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, he descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, or as incomplete a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll, upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of their muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on the final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Discharges."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Landwarrant must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, whereon the amount must be collected from the United States.

NOTE 7.—This blank will be used for duplicate statements, in duplicate, to the Second Auditor, Washington.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with the final statements, in duplicate, to the Second Auditor, Washington.

Headquarters, Department of the Tennessee,

Vicksburg, Aug 21, 1863

SPECIAL ORDERS,

No. 212

Extract

Leave of Absence for twenty days, is hereby granted  
1st Lt. Samuel W. Craft 10th Me Inf  
to proceed beyond the limits of the Department.

This Leave of Absence is granted under section 31, of an act  
entitled "An Act for enrolling and cutting out the National Forces,  
and for other purposes," approved March 3rd, 1863, and will be noted  
accordingly on the proper Muster and Pay Rolls.

BY ORDER OF MAJOR GENERAL U. S. GRANT.

Lt Craft  
10 Me Inf

J. S. Powers  
Assistant Adjutant General

Extract from General Orders, A. G. O., War Department.

Any officer absent from duty with leave, except for sickness or wounds, shall, during his absence, receive half of the pay and allowances prescribed by law, and no more; and any officer absent without leave, shall, in addition to the penalties prescribed by law or a Court Martial, forfeit all pay or allowances during such absence.

—Act of Congress, published in General Orders No. 73, Series 1863.  
Officers absent from duty without leave or beyond the time of their leaves, will not be allowed to draw pay until a court or commission, which will be ordered on their return to their post or command, shall determine whether there was sufficient cause for their absence. They will accordingly provide themselves with a full description of the nature and cause of their disability, certified by the proper medical authority, as required by existing orders and regulations.

When an officer returns to his command after having overstaid his leave of absence, he may be tried by a court-martial for this as a military offence, or a commission may be appointed by the commanding officer of his division, army corps, or army, as the case may be, to investigate his case, and to determine whether or not he was absent from proper cause; and if there should be found to be such proper cause, he will be entitled to pay during such absence. The proceedings of such commission will be sent to the Adjutant General of the Army for the approval of the Secretary of War. Such commissions will consist of not less than three nor over five commissioned officers.—Gen. Orders, No. 100, series 1862.

Miss Crawford

15 Dec 20

First Pioneer Regt 5<sup>th</sup> Mo.

Colonel Samuel H. Brown

Dear Sir, I have thought proper to send a few lines  
relative to my health. I am considerably better  
for the last two weeks I have been mending slowly  
I have been attended by Doctor Marshall one of the  
best and most successful Physicians in this part  
of the country. I have to take another course of Medicine  
for my Liver is not acting and my tongue has  
never cleared since I left Mass. Gladly would I  
join my Regiment if there were any prospect of my  
being able to serve my country efficiently but  
present the prospect is not bright. I have only  
only been able to walk a short distance once since  
I came home. The Doctor thinks I will not be fit to  
stand the march. If it is thought best not to allow  
my resignation. I will as soon as I am able return  
to duty. Three Companies have left from this Regt  
from Pittsford, Georgetown and the surrounding <sup>Country</sup>  
an effort will be made to raise two companies in  
these parts. The men are pretty well trained here  
still some can be spared. Hoping you will still  
be in the affections of your Regiment and in esteem  
of your Brother Officer

I remain with all Respect

Your Friend James Campbell 1<sup>st</sup> Lieut Co F.

10<sup>th</sup> Reg Mo. Inf

Dear Colonel, As you may not be aware  
of my receiving the following document before  
leaving Camp, I have thought proper to  
send you a true copy.

To All whom it may Concern.  
This is to certify that I have carefully examined  
1st Lieut. James Crawford, of Company E. 10<sup>th</sup>  
Reg. Mo. Vol. and find him laboring under an attack  
of Chronic Bronchitis, and acute Hepatitis.  
And in consequence of which he has tendered  
his <sup>unconditional</sup> resignation - but as there will be unavoidable  
delay - the Reg. being several miles in advance, in  
forwarding the resignation to, and returning  
from the Reg. it would be much better  
for the present condition of his health  
for him to leave for home and have  
his resignation sent to him.

Brigade Hospital  
near Corinth, Miss. June 5<sup>th</sup> / 62. } J. B. Stuart  
M.D. Surg. 10<sup>th</sup>  
Reg. Mo. Vol.

I certify This is a true copy of the  
above named document.

James Crawford  
1st Lieut Co E

If you please, write a few  
lines in return

Sparta Ill August 1<sup>st</sup> 1862

To all whom it may concern

Crawford of Co # 10<sup>th</sup> Missouri Volunteers;  
I find him suffering from Chronic Bronchitis  
and Hepatitis. that he is incapable to perform  
military duty, and will be for thirty days at  
least if cured

R. W. Marshall

Subscribed and sworn to before me,  
on the day and year above written, and  
I hereby certify that the said R. W. Marshall  
is a respectable medical practitioner.

### NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital the officer commanding a detachment of recruits, &c., &c.

## NOTE 2.

When a probable cause for pension, special care must be taken to state the degree of disability—as *4, 5, &c., &c.*; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edn. 1-61.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purpiously produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

## РЕЗУЛЬТАТЫ

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his endorsement thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

"These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regional, post, or detachment commander, who will, if the discharge is confirmed by the endorsement of the proper authority, sign the center's discharge and the post certificate on this paper, so that the soldier is reimbursed with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

It is a very common  
mistake to suppose that the  
Bible is a book of laws and  
ceremonies. It is a book of  
truth and life. It is a book  
which contains the principles  
of morality and the way of  
salvation. It is a book which  
should be read by every  
man, woman and child.

The fact is, however, that  
the Bible is a book of truth  
and life. It is a book which  
contains the principles of  
morality and the way of  
salvation. It is a book which  
should be read by every  
man, woman and child.

I am, Sir,  
Very respectfully,  
Your obedient servant,  
Wm. L. G.

The facts above stated  
are true. The Bible can  
be read in any language  
after the manner of a  
book of facts.

Your Petitioner

J. F. Daugherty, late Capt of Co. H. 11<sup>th</sup>  
Regt. Mo. Vol. Infy, respectfully represents that  
on the 20<sup>th</sup> day of April 1862 there was Special Order  
No. 121. Dep't of the West issued at St Louis Mo. Paragraph  
3<sup>d</sup> of said Order, Order Co. K. of the aforesaid Regt.  
to be broken up, the Commissioned Officers of said  
Co. to be mustered out of the Service of the U.S. and  
the non-commissioned Officers & men to be assigned  
to the other Co's in the Regt filling each Co. as near the  
maximum, as possible, and said Commissioned Officers  
of Co. K. were mustered out of service in accordance  
with said order also the non-commissioned Officers  
and men distributed within 30 days from the date  
of said order consummating fully the aforesaid order.  
On the 20<sup>th</sup> day of July 1862. Three months after  
the date of the above order, while in Camp at Bank Clear  
Creek Miss. another <sup>order</sup> was issued our Regimental Hq. 2<sup>d</sup> by pur-  
porting to be Paragraph 3. of Special Order No. 121  
1<sup>st</sup> by Dep't of the Miss of date April 20<sup>th</sup> 1862 being  
nearly word for word of the first above mentioned order  
except substituting Co. H. in place of Co. K. which was  
the Co. contemplated in said order according to the  
Records at Dep't Hq. 2<sup>d</sup> at St Louis, and <sup>said order</sup> purports  
to be the one that has long since executed by breaking  
up Co. K. And as Co. K. was below the minimum, (as  
stated in the original Order), having at the date of the  
same (17) seventeen non-commissioned Officers and men and  
3 Commissioned Officers making an aggregate of 20 men

8 officers, and as said Co. never was a minimum Co. the order was correct and just—

In accordance with the later order substituting Co. "H" for Co. "K". Genl. Rosencrans issued Special Order No. 186 of date July 20, 1862, which orders Co. "H" to be broken up in compliance with Par 3. of Special Order No. 121. Capt. of the Mip of date April 20, 1862 or what purported to be said order. Enclosed I hand you Certified Copies of Par 3. of Special Order No. 121. One taken from the Record at Dep't H. 2y at St Louis Mo. and the other that came to Genl. Rosencrans' H. 2y. It is very evident that there is a mistake a Glencal Error, or otherwise. As Co. "H" had 85 able bodied men in it the day it was received in the U.S. Service, and on the day it was ordered to be broken up (July 20/62) had an aggregate of 78 men & officers, furthermore had 20 men more, ~~more~~ on duty, & for duty, than any other Co., ~~other Co.~~ in the Regt. though its aggregate was 20 less than the largest Co. as one or two Cos were very near the maximum. And I believe Co. "H" will compare favorably the day it was disbanded with any other Co. in the service, that had been in service and done as much hard duty, (as the majority of my Co. were enlisted July 5/61 and went into active service Sept 12/61.)

In obedience to Special Order No. 186 issued by Genl. Rosencrans' myself and I reported at St Louis Mo. to be mustered out of service, and on an examination of the Records there and discovering the error. I immediately addressed Genl. Rosencrans a brief note stating the facts, enclosing him a certified copy of Par 3. of Special Order No. 121. Capt. of the Mip of date April 20, 1862 taken from the Record there and duly certified to by Genl. Ketchum—

Genl. Ketchum told me he was conversant with the consolidation of the 22<sup>d</sup> Me. Vol. with the 11<sup>th</sup> and knows that there never was an order issued or contemplated to be issued that interfered with Co. H. 11<sup>th</sup> Me. Vol. (Though in accordance with Genl. Ketchum's special order, No. 16 issued in compliance with the order, purporting to be special order No. 121. Dept of the Miss. he thought he had authority to muster myself & officers out of the Service <sup>as at the same time</sup> having before him the Record and also a certified copy of what purported to be special order 121.)

I know of no paragraph in the Army Regulations or the Acts of Congress, where the commissioned officers of a company can be mustered out of service of the U.S. (Independent of their command) when the Co. was at the time of mustering into service above the minimum. (Except by the sentence of a Genl. Court martial regularly approved, or being examined by a Commission of officers duly appointed to enquire into their qualifications fitness or to hold positions as commissioned officers and being by said board reported adversely upon and the action of the Commission duly approved, and in the above instances it is a dismissal from service not a mustering out.) and at least <sup>it</sup> requires a more sufficient cause than simply to favor a consolidation of Regts. in my opinion —

Finding that most of the orders in reference to Me. Regts were made by Order of the Gov and approved by order of the Dept. Commr. I had the Adjutant Genl of the State of Me. to examine his Records, to ascertain if there had been an order issued affecting my Co. in the consolidation of the 22<sup>d</sup> with the 11<sup>th</sup> but on examination found no order affecting my Co. and on investigation <sup>he</sup> stated the last order, purporting to be Special order No 121 Dept of the Miss. ~~must~~ necessarily be a mistake, or an error. —

Am if said order is not corrected I will feel  
that myself, Officer and Company have been wronged  
as I have been in the service nearly 14 months but  
months of the time paid remuneration from the Govt and  
myself and Mr St James Kay were subjected to an exam-  
ination before a board, or Commission of Officers duly  
appointed, consisting of Col. Eastman, Shepherd &  
Emy at St Louis. At a time when our Col Major  
one Capt and 7 Lieutenants were reported adversely  
upon and were dismissed from the Service of the U.S.  
by order of the President. Besides doing my full part  
as I believe <sup>for the Govt</sup> for a man of my means, recruiting and  
subsisting my Co. at my own expense without asking  
the Govt for remuneration, and by my influence, means  
&c furnished 2 other Co's for the Regt which are still there.

My St James Kay <sup>and Cameron</sup> will be wronged if  
said order purporting to be special order N: 121, <sup>predominates</sup> as they  
were both acknowledged to be model Officers in  
every particular. But what I consider to mark the greatest  
hardship of all, said order reduces the non-com-  
missioned Officers to the Ranks, men in every instance  
who have earned their positions, by capacity, fitness,  
qualifications &c and in several instances, men were  
raised from the Ranks, who had by their ungalloped  
good behavior, temperate habits & general fitness been  
promoted - Now when they were stimulated by said pro-  
motions to still go up higher (which they would undoubt-  
edly have done whenever a vacancy would occur -  
But by this order they were all reduced to the ranks and  
they were reduced below the positions formerly held by them  
in Co. II (as there were hardly a vacancy in the Regt for a non-com-  
missioned Officer - As to myself I have doubt but

but I could command at least a position equal to the one held by me in the Regt. but for me to simply get a position would not do justice to friends and acquaintances that I persuaded to join Co. "H" on its original organization - There is another item in the Consolidation that I will mention, (as Col. Holmes states in a letter addressed to me on our parting) "That the exigencies of the public service required the consolidation &c." I always was, and am, at any, and all times, ready & willing to do any thing in reason that <sup>is</sup> correct just and honorable, for the benefit of the public service - But I am not willing to tamely submit to being ordered to be mustered out of the service after serving in the Regt since its original organization (as per Special Order from the War Dept.) when there was a vacancy for one Capt & several Lt's in the Regt ~~when~~ on the very day I was ordered to be mustered out of service, according to the order received by Gen. Rosenmans. There was a Capt. & Lt appointed outside of the Regt who never expended a dime or recruited a man for the service of the U.S. & proved to be on trial not superior to the officers <sup>where</sup> he fills, who was reported adversely upon by the Military Commission & dismissed from the service of the U.S. The Capt. referred to is one Capt. J. B. Fitch of Co. "D" so that Co. lost all their commissioned officers by being dismissed from the service -

The Regiment with my Co contains about 975 men and officers.

Now Petitioner respectfully asks that if on an examination of the facts set forth in this petition are found true, that himself & officers be restored to their command to date from July 25<sup>th</sup> 1862 the date of being mustered out also, to rank according to commissions - And if consistent

as there will be an extra Co. That I may be ordered to report to Gen Kirkwood of Iowa with my Co. to be attached to one of the old Iowa Regts if there is a vacancy for a company, if not, to one of the new regiments now being raised in Iowa, as the majority of the Co are Iowa men and only consented to go into a Missouri Regt because the Iowa Regts were full or at least were not receiving any more Co's. They were at first recruited for an Iowa Regt but as the Co. did not fill up ~~up~~ soon enough to get in no left.

If inconsistent to comply with the above request, I will abide your order. Enclosed I hand you certified copies of letters from Genl Rosenbaum, Col. Saml A. Holmes and Adjutant Dinsling. To show my present standing in the Regt (I would have forwarded the original letters but may need them for future reference.) I could also furnish you letters from Col. Rankin, Hillis and other officers of the same Brigade setting forth my fitness, capacity, qualifications &c as an officer - And showing at least there was no just cause to break up my Co. But my object is only to satisfy you as to my standing in my own Regt.

I can substantiate the foregoing I believe in every particular - Excuse me for adding to you overburdened duties to examine the foregoing petition but I believe justice and the public service demands an investigation - My Address is at Kirkwood Iowa. Hoping that justice may be done to all parties concerned. I remain

As by the mustering out of the officers of Company  
It our connection with you is about being severed I  
cannot refrain from expressing my warm regards, at the  
p which the Regiment and the service generally will sus-  
tain. - My Official connection with you as also our  
social intercourse has ever been of the most pleasant  
and satisfactory nature. I can testify from constant  
observation, of your fitness and proficiency as a military  
Officer, bringing order out of disorder and military bearing  
and discipline out of material of the most untrained kind  
Company It under your command, at the time of its being  
disbanded and broken up showed a large number of men  
for duty in proportion to the size of the Company, while  
others in the Regiment although of larger aggregate ran  
far below you in available men. In conclusion I  
sincerely hope that you may obtain a higher military  
position, than the one lately held by you in this Regt! And  
wherever your duties may lead you, be assured that my  
best wishes are with you -

Capt.

I cannot allow this occasion of your being separated from this Regiment in which you have so faithfully and honorably served, to pass without expressing to you the high estimate in which I hold your character as a gentleman and an officer, and of the great regret which I personally feel at being deprived of your valuable services. I believe that the feelings which I entertain towards you are shared with me by every officer and soldier in this command -

It is now about one year that <sup>we</sup> have served together in this common cause, to which, than yourself, there is certainly no man more devoted; and it is most painful to me and your brother Officers that the exigencies of the public service, in the consolidation of the Regiment, should leave you unemployed in that service in which you have gained enviable distinction, both in the Camp and on the field of battle.

Your late comrades will long remember the gallant manner in which you led your brave men into the thick of the fight on the last day before Corinth.

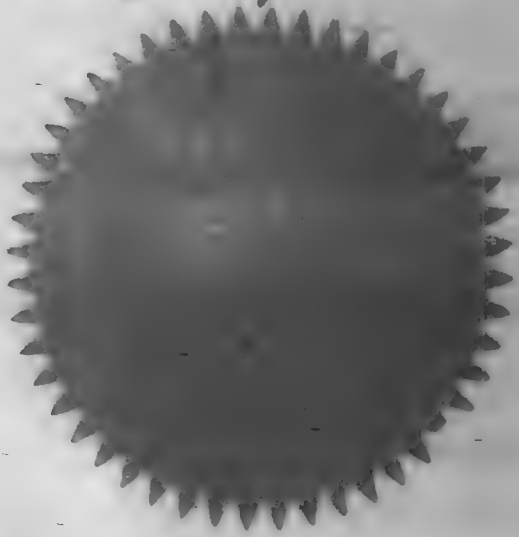

Captain, in taking leave of you, let me enjoin you not, in any manner to relax your efforts in this hour of the Country's need, but at once to seek another and a higher position in the same service, which as good an officer ought not and will not fail to obtain.

Wishing you all success <sup>your</sup> in future career of life wherever it may be. I remain,

Captain

I find, by comparing the copies of the original order for the consolidation of the four infantry Cos. 22<sup>nd</sup> Missouri, that while the copy furnished by Gen Ketchum says Co. K the one from Genl. Halleck's Head Quarters signed J. C. Kelton on which we acted Co. H. of the 10<sup>th</sup> was ordered to be consolidated.

Besides this discrepancy we found another. Co. "H" was not below the minimum. It moreover appears that the original order for breaking up Co. "K" must have been long since executed for there was no Co. "K" in the 10<sup>th</sup> when it arrived here.

The later order would be the only one that could be operative. That it was the intention of the Dept. Commander to break up a good company commanded by efficient officers and above the minimum I hardly think probable. But your remedy will be to present the case to the Department for consideration & action -

Camp Vicksburg Miss July 18. 1863.

Colonel

I hereby respectfully tender my Resignation as First Lieutenant  
of Co 'G' 10th Regiment Missouri Vols Inftry.

The Company of which I am  
First Lieutenant is reduced in the number of effective enlisted men, to  
less than half the minimum number prescribed by Law for a Company,  
and having a Captain and Second Lieutenant my services are  
unnecessary,

During the greater part of the last twelve months on account of ill health  
I have been unfit for and unable to discharge the duties of my Office.  
I hope therefore as a matter of justice between the Government and  
myself that this my resignation may be accepted without delay.

I hereby certify on honor that I have turned over all  
Government property in my possession, to the Comdg. Officer of my  
Company, Capt William A Russell, that I am in no way indebted to the  
Government of the United States, that I have never been absent without  
leave since being in the service, that I was last Paid by Paymaster  
Maj Stewart, to include the Thirtieth day of June 1863. Enclosed please  
find Medical Certificate to which I respectfully refer

Very Respectfully

Your Obedient Servant.

## CERTIFICATE OF DISABILITY FOR DISCHARGE.

(To be used in duplicate, in all cases of discharge on account of disability.)

*Thomas S. Davis*, private of Captain *Wm. J. Bayne's* Company, [B] of the *South (10<sup>th</sup>)* Regiment of United States Vol. Inf. Mo., was enlisted by *Lieut. Aug. H. H. H. H.* of the *South* Regiment of *Mo. Vol.* at *West Quincy Mo.* on the *twenty first* day of *November* 1861, to serve *three* years; he was born in *Washington* in the State of *Indiana* is *eighteen* years of age. *Five* feet *four* inches high, *light* complexion, *blue* eyes, *light* hair, and by occupation when enlisted a *Farmer*. During the last two months said soldier has been unfit for duty *59* days. (Here consult directions on Form 12, p. 20, Med. Dept. Gen. Reg.)

*He above named private, while on duty at Hesperian Mo. on the night of the 24th of Dec. 1861, was standing near the fire the butt of his gun resting on the ground the palm of his right hand resting on the muzzle of the gun, the gun being so near the fire that the heat from the fire caused the gun to go off, the ball passing through the hand causing the loss of one of his fingers. He was taken to the Hospital by medical aid. For particulars see letter from the Surgeon.*

STATION: *High Hill Mo.*  
DATE: *April 10 1862*

*Wm. J. Bayne Capt.*  
Commanding Company.

I CERTIFY, that I have carefully examined the said *Thomas S. Davis* of Captain *Wm. J. Bayne's* Company, and find him incapable of performing the duties of a soldier because of (Here consult par. 1154, p. 20, and directions on Form 12, p. 20, Med. Dept. Gen. Reg.) *some laceration of the right hand, caused through carelessness, by a musket ball passing through the palm, fracturing the third metacarpal bone so severely, that the digital third of the bone, with the finger, had to be excised. And injuring the entire hand to such an extent as to render him, according to the best of my judgment, permanently unfit for military duty.*
